

Cathcart Street Weekly Newsletter

Your weekly newsletter about our school!

This week at School

What a wonderful way to end the term! This last week has been absolutely brilliant, and I wanted to take a moment to share all the lovely things that have been happening here at Cathcart Street.

Our parents evenings were really well attended, and it was fantastic to welcome so many of you into school. It's always one of our favourite parts of the term - being able to sit down with families and share all the incredible progress your children have made.

We've also had some brilliant family engagement activities. Our Early Years Easter Stay and Play was lovely, and the Easter craft mornings across Rainbow room, Phase 1, Phase 2 and our Nurture provision have been really well supported. The commitment you show to the school means so much to us all, and these sessions really do make a difference to our children. I also want to say a huge thank you to Life Church, who have very kindly provided every single child at Cathcart Street with an Easter egg to enjoy. That's a really generous gesture, and we're so grateful to them for thinking of our children in this way.

We've had some fantastic entries for our Easter colouring competition, and the standard of the Easter bunnets brought in for our competition has been incredible - you really are a creative bunch! Our winners have received Easter eggs as prizes, and all the wonderful entries will be posted on our school's Instagram page so everyone can admire them.

The children have worked really hard over these last five weeks. It's been a short but busy half term, and I'm so proud of how they've got stuck in with everything we've asked of them. As we move into the Summer term, we've got some lovely activities planned, and we're really excited to get going with those.

For now though, I hope you all have a restful two-week break and get to spend some quality time with your families and loved ones. Before I finish, I'd like to take a moment to thank all the amazing staff at Cathcart Street. Everything they do - day in, day out - is what makes this school such a special place, and I'm really grateful to work alongside them and all our fantastic families.

Wishing you all a Happy Easter!

Mrs Cookson and the Cathcart Team

Dates for your diary

Every Monday 9am - Coffee Mornings

Mon 13th April - Children return to school

Mon 20th April - Chester Zoo Workshops

Tues 28th April - Chester Zoo
Workshops

Monday 4th May - Bank Holiday

Thurs 7th May - Class Photographs

Week Beg Mon 11th May - Year 6 SATS

Mond 18th May - Year 6 Chester Zoo Trip

Fri 22nd May - Eco Trip

Fri 22nd May - Finish for half term

Attendance

Attendance continues to be a huge focus at Cathcart Street.

Our winners last week were;

Phase 1 - Y2 with 93.8%

Phase 2 - Y6 with 93.6%

Our £5 prize will be added to both classes.

Well done everyone - keep it up!

Whole school attendance - 91.5%

Year 6 SATS

Year 6 SATs will take place the week beginning 11th May. We are very proud of all the children's hard work so far.

Please don't worry - our focus is on supporting and encouraging every child to do their best with care and positivity.

More information will be shared after the half-term break.

Important Messages

Please ensure you are signed up to class dojo as class teachers will keep you up to date on here with information about your children's classes.

Please give us a follow on Instagram where we share all the fantastic things children at Cathcart Street have been up to.

We have been enjoying...

Little Stars - Little Stars have been colour matching eggs
F1 - the children started a game of hide and seek. It soon became a larger group. Sometimes the simplest of playground games are the best.

F2 - learning all about 3D shapes in maths. Children enjoyed printing with them to see what 2D shapes they could see

Year 1 - enjoyed designing and building houses for the Three Little Pigs, we then tested to see if they were waterproof and to see if it would be standing after the Big Bad Wolf tried to blow them down.

Year 2 - In science this week we have been learning about hygiene. We carried an investigation out to see 'what happens to germs on our hands if we use soap'.

Year 3 - We all had fun welcoming parents and making our Easter crafts.

Year 4 - This week, Year 4 have been very creative during their Easter craft morning making their own egg baskets and having an amazing time participating in an egg hunt.

Year 5 - Year 5 had a brilliant Easter craft morning. We had so much fun!

Year 6 - For DT this term we have been learning about nutrition and complementary flavours. This week we prepared a meal with fresh peppers, spinach, cheese and houmous.
