

Cathcart Street Weekly Newsletter

Your weekly newsletter about our school!

This week at School

We are so pleased to welcome the children back to school after the half-term break! We hope you all had a restful and enjoyable week, and that the children had lots of fun celebrating Halloween and Bonfire Night with family and friends.

As we begin the Autumn 2 term, there's a real buzz of excitement in the air. This half-term is always a special one, filled with joyful anticipation as we head towards the festive season. From seasonal crafts and performances to winter celebrations and magical moments, there's so much to look forward to in the coming weeks. We can't wait to share this busy and exciting time with the children and make it a memorable end to the year.

Last half-term, we were thrilled with the fantastic response to our parent questionnaires - thank you to everyone who took the time to share your thoughts and suggestions. Your feedback is incredibly valuable and has helped shape some of the positive changes we've introduced, including our new weekly newsletter and a wider range of after-school clubs.

We hope you're enjoying these updates and finding them helpful. However, we've noticed that only a small number of children have signed up for the clubs so far. These sessions offer a great opportunity for children to explore new interests, build friendships, and have fun outside of the classroom. We'd love to see more pupils getting involved!

We are very excited to share our school's Christmas Fair will be on Wednesday 10th December but in order to make this possible we need your help! Each Friday we will be asking for donations towards our Christmas Fair by bringing something in in exchange for joining in with our theme that day will enable us to put on the best fair ever so please get donating.

Warmest wishes

Mrs Cookson & Cathcart Team

We have been enjoying...

Little Stars - have enjoyed being creative and making their own firework pictures.

F1 - explored different materials to thread through holes and created their own fireworks.

F2 - enjoyed getting creative making sparklers out of breadsticks and sprinkles.

Y1 - In DT, year 1 enjoyed sorting out fruits and vegetables, cutting them open and investigating the seeds.

Y2 - This week year 2 have been expanding on subtraction sums using tens frames and counters

Y3 - have been enjoying learning to sew as apart of their DT Textiles topic.

Y4 - have enjoyed learning all about habitats in science

Y5 - enjoyed working with the UK Military school to make wheelbarrows and work as part of a team

Y6 - have been enjoying taking part in some drama work to help reenact a scene from their new story 'A Story Like the Wind' .
