This week at School

What a busy but truly fantastic Autumn term we have had at Cathcart Street! We hope you and all the children enjoyed the wonderful Christmas activities—we certainly did.

Our staff have loved sharing this magical time of year with the children, from the beautiful choir singing at Finch Court, the great dancing (and snow machine!) at the disco, our fantastic Christmas fair, the buzz of our family craft mornings, two brilliant Early Years nativities, and a very special whole-school nativity at Christ the King. Add to that our Christmas dinner day and parties—phew, what a lot of magic and sparkle! It has been such a joy to see your children grow and develop this term, and it is an honour to share the build-up to Christmas with them.

Alongside all the festive sparkle, we must also celebrate just how hard the children have worked throughout the Autumn term. From our youngest pupils in Early Years making such wonderful progress with their early reading, writing and number skills, to our older children tackling challenging topics across the curriculum with determination and enthusiasm, it has been a joy to see their commitment. The children have shown resilience, curiosity and creativity in their learning, and we are so proud of the way they have supported one another and embraced new challenges. Their effort in lessons, their kindness around school, and their growing confidence have made this term truly special.

On behalf of everyone at Cathcart Street, I would like to wish all our amazing children, families, and wonderful staff a very Merry Christmas and a Happy New Year! 🎄🌟
