This week at School

As we come to the end of this half term, I want to say what a truly brilliant few weeks it has been. The children have worked incredibly hard and embraced some fantastic learning opportunities – from visiting our local church, Christ the King, to enjoying a wonderful trip to the library. Their enthusiasm, curiosity and kindness have shone through in everything they have done.

I continue to feel both privileged and deeply honoured to be the Headteacher of such a lovely school. We are on a fantastic journey together, and every day I am reminded of what a special community this is. I am genuinely thankful to all our parents and carers for working so positively and closely with us. Your partnership, encouragement and the strong, compassionate role modelling you provide make such a difference in helping our children grow into the thoughtful, confident and caring young people they are becoming.

I hope you all have a lovely and restful half term break. We look forward to welcoming the children back to school on Monday 23rd February. A reminder that our Breakfast Club is open from 8:00am each morning. Information about our after-school clubs for the next half term will be shared soon – we hope to see lots of children signing up and getting involved.

Spring 2 is a short half term of just five weeks, but we are excited to see the children continue to learn, grow and develop in all areas.

Thank you, as always, for your continued support.

Mrs Cookson and Cathcart Team

Dates for your diary

Every Monday 9am – Coffee Mornings

Wed 25th Feb – ECO trip Blue Planet

Thurs 5th March – World Book Day

Wed 18th March – Y3/4 Hockey
Competition

Fri 20th March – Red Nose Day

Wed 25th March – Y5/6 girls football
tournament

Tues 24th March & Wed 25th March –
Parents Evening

Fri 27th March – Finish for half term

Attendance

Our whole school attendance has improved last week – well done everyone!

Our winners last week were;

Phase 1 – Y1 with 96.3%

Phase 2 – Y4 with 90% (most improved)

Our £5 prize will be added to both classes. Well done everyone – keep it up!

Whole school attendance – 91.8%

Parents Evening

Next half term we will be holding our Parents'

Evening across two nights, with all appointments booked via Compass, and we are very much looking forward to welcoming parents and carers into school to meet with class teachers; these conversations are an important opportunity to discuss your child's progress, celebrate their achievements and consider their next steps, and your partnership in these collaborative meetings plays a vital role in supporting every child's learning and development.

Important Messages

Please ensure you are signed up to class dojo as class teachers will keep you up to date on here with information about your children's classes.

Please give us a follow on Instagram where we share all the fantastic things children at Cathcart Street have been up to.

We have been enjoying...

Little Stars - We were all curious to see how pancakes were made, and thoroughly enjoyed eating them too!

F1 - To celebrate Chinese New Year the children made lanterns.

This involved folding and cutting. This is the year of the horse!

F2 - We have been talking about 'showing kindness' in F2. We all belong in our classroom and we want to be kind to everyone!

Y1 - In science we have been learning about which materials are absorbent and which ones are waterproof. We completed an investigation to see which material would be best for an umbrella

Y2 - This week, we have been discussing the achievements we are proud of in Year 2 this term.

Y3 - In science, we have been exploring how fossils were formed in rocks by making sediment first then imprinting shells to form fossils.

Y4 - have shown fantastic teamwork in their Military School games.

Y5 - in science have been testing different materials to compare their strength.

Y6 - have been working on research and delivering presentations on people who made great advances in civil rights for our History topic
