

Cathcart Street Weekly Newsletter

Your weekly newsletter about our school!

This week at School

What a fantastic week it has been here at Cathcart. Our school continues to feel full of energy, curiosity and joy, and I want to thank you for the part you play in making that happen.

This week, our Year 2 children enjoyed a wonderful visit to our local church, Christ the King. Their behaviour was exemplary throughout, and they represented our school beautifully. We are incredibly grateful to Reverend Paul for hosting us so warmly, and to all the parents who supported the trip. These experiences simply wouldn't be possible without your time, encouragement and partnership.

Year 3 also had an amazing morning at the library today. Their enthusiasm and love of reading shone through, and staff were so proud of how confidently and respectfully they engaged with the activities.

Moments like these remind us just how proud we are of our children. Cathcart is on a journey, and while there is always more to do, it is clear that together—staff, children and families—we are building something truly special. Your support, trust and collaboration make a real difference as we continue working to make our school the amazing place our children deserve.

Thank you once again for another brilliant week.

Have a lovely weekend!

Mrs Cookson and Cathcart Team

Dates for your diary

Every Monday 9am - Coffee Mornings
Clubs this half term;

Monday - Cheerleading - Years 4,5 & 6

SATS revision club - Year 6

Wednesday - Football - Years 4, 5 & 6

Thursday - Multiskills - Years 1, 2 & 3

Mon 9th - we have the NHS Henry
Parenting course joining our Coffee
Morning

Fri 13th Feb - Finish for half term

Attendance

Our whole school attendance has unfortunately dipped slightly last week.

Our winners last week were;

Phase 1 - Y2 with 94.4%

Phase 2 - Y6 with 95.9%

Our £5 prize will be added to both classes. Well done everyone - keep it up! Year 6 that is 4

weeks on the run Well Done!

Whole school attendance - 91.3%

Play Equipment

We would like to remind all families that any use of the school's play equipment before or after the school day is entirely at parents' own risk. During these times, staff are not available to supervise, and therefore all children must be closely supervised by an adult at all times.

Thank you for your support in helping us keep everyone safe.

Important Messages

Please ensure you are signed up to class dojo as class teachers will keep you up to date on here with information about your children's classes.

Please give us a follow on Instagram where we share all the fantastic things children at Cathcart Street have been up to.

We have been enjoying...

Little Stars - have been practicing folding our 'Flipper Flappers' after Squiggle while you Wiggle.

F1 - One of our F1 children made a present for their older brother by cutting and sticking junk materials together. They said 'he likes flowers', how thoughtful and creative

F2 - have enjoyed developing their reading and maths skills. They have been reading CVC words and matching them to pictures and adding doubles and recording the number sentences!

Y1 - learnt about floating and sinking in Science. We made predictions first and then tested to see if our predictions were correct.

Y2 - have been experimenting in art creating different textures to make our collage picture next week.

Y3 - have been working scientifically this week - observing how water contributes to the weathering of rocks.

Y4 - have been showing their team spirit in Military School, working together to create a funnel and successfully transporting water.

Y5 - have been learning about insulation materials, testing different materials to see how warm they keep hot water.

Y6 - created pieces of street art in which we have been drawing powerful messages about stopping pollution.
