Your weekly newsletter about our school!

This week at School

What a wonderful week we've had at Cathcart, full of excitement, enthusiasm and so many moments to be proud of!

We started the week by launching World Science Week, and we've been blown away by the fantastic projects already coming into school! We are loving the children's creativity and enthusiasm. Keep them coming – we can't wait to see them all! 

A huge thank you to everyone who sponsored our children for the Danny Baker GB visit. Together, we raised an incredible £657.50! Your generosity is hugely appreciated. We ended the week with our wonderful Be Yourself, Be Joyful Friday, supporting The Hive and marking World Mental Health Day. It was gorgeous seeing the children wearing things that bring them joy, but even more special hearing them talk so openly about their mental health, happiness and what makes them smile.

I also have to mention our amazing footballers, who represented Cathcart at a tournament this week. Despite some tough results, their resilience, teamwork, encouragement and sportsmanship were absolutely fantastic. They gave everything their best, supported one another and smiled throughout! For me, that's what school sport is all about. We couldn't be prouder of them!

Another brilliant week at Cathcart, and with two more weeks of learning and fun before half-term, we're excited to keep the momentum going!

Thank you, as always, for your wonderful support!

Mrs Cookson and the Cathcart Team

Dates for your diary

Tues 13th – Year 1 Parents Phonics

Workshop 2.45pm

Thurs 15th – Year 5 Mosque Visit

Fri 16th – Year 2 & 5 Wonderdome event

Tues 20th & Wed 21st – Parents Evenings

Thurs 22nd – EYFS Stay & Play

Fri 23rd Oct – Finish for Half Term

Attendance

A huge well done to our attendance winners from last week!

Year 3 – 96.7%

Year 6 – 98.7%

Both classes have done brilliantly and have each earned £5 for their class account!

Our whole school attendance was 92.4%

Science Competition

Children are invited to create a 2D or 3D piece of artwork or a piece of writing inspired by the theme Rocket Revolution. They can use their imagination, carry out their own research, or combine the two. There will be lots of opportunities to get creative, with children able to choose their own materials and approach. The competition is open to all children from Nursery to Year 6.

Entries due in school: Friday 16th October

Winners announced: Friday 23rd October

Class Dojo

Please make sure you are signed up to Class Dojo – this is a great way to stay up to date with any relevant information for your child's class and message their class teacher directly if needed.

ClassDojo

Free Breakfast Club

We are delighted to announce that our school Breakfast Club is now completely FREE for all children in Years 1 to 6! 

Opening every morning at 8:00am, children can enjoy toast, cereal and fun activities with friends, giving them a happy, settled start to the school day.

No need to book – just turn up!

Football Tournament

A special shout out to our amazing footballers this week. Well done guys!

We have been enjoying...

Little stars - Our 2's loved songs and rhymes with musical instruments

F1 - F1 love dough disco in the morning.

F2 - F2 loved their visit from Mr Arnold and the science ambassadors. They were shown a really clever trick with a bucket of water!

Year 1 - Year 1 enjoyed finding different parts in maths using double sided counters.

Year 2 - Year 2 have been creative in English this week creating their own setting from the story, A River.

Year 3 - We have been learning to compare 3 digit numbers in maths this week.

Year 4 - Year 4 have had a great time exploring and designing their own space probes this week in celebration of space week.

Year 5 - Year 5 enjoyed reading some space books as part of our research in British Science Week.

Year 6 - As part of Space Week we have been testing out our telescope

Nurture - Nurture have been busy discovering out of this world facts for their fact files.
