This week at School

It has been another busy and fantastic week here at Cathcart Street Primary School! We were absolutely thrilled to see our incredible Year 1 children out on their local walk this week. Their behaviour was exemplary, and we were so impressed by how well they represented our school community.

We were equally excited to host a hockey competition at Cathcart, welcoming other local schools to join us. Our amazing Year 3 and 4 children achieved an impressive 3rd place, but more importantly, they demonstrated outstanding behaviour, impeccable manners, and true sportsmanship throughout the event. As staff, we are constantly so proud of how our children conduct themselves both in and out of the classroom.

The beautiful weather this week has truly brought a real feel of spring in the air, lifting spirits and energising us all. With spring comes the excitement of Easter, and we have lots of fantastic activities planned for next week. We can't wait to welcome our families into school to share these special moments with us. We truly value having such a close relationship with our families, and your ongoing support means the world to us.

A special thank you to all our families who kindly sent in Eid gifts for staff to enjoy. We wish you and your families a joyful and blessed Eid!

Don't forget to check out our Instagram page and give us a follow! It's a wonderful way to see all the fantastic things our children have been up to and stay connected with life at Cathcart.

Thank you for being part of our nurturing community.

Easter

We have 2 fantastic Easter competitions your children can be part of. Our Easter Colouring is 50p to enter and winners will be chosen next Friday. If your child has not received this please just ask their class teacher. Also our Easter bonnet competition takes place next Friday - children are welcome to get creative and bring an Easter bonnet into school for a chance to win a prize!

Important Messages

Please ensure you are signed up to class dojo as class teachers will keep you up to date on here with information about your children's classes.

We have been enjoying...

Little Stars - We have been singing Humpty Dumpty and finding out what's inside an egg.

F1 - we have been making links with the nursery rhyme '5 Little Ducks' and added them to the water tray and happily sung the song.

F2 - This week has been all about teamwork and collaboration. Children have created, talked, played and learnt together! Well done F2

Year 1 - have really enjoyed learning all about the Easter story in RE this week.

Year 2 - In English this week we have been researching and gathering information about animals in the rainforest linking to our class story Grandad's Island. This will help when we write our own fact file on an animal we are interested in.

Year 3 - In Science, we have been making models of a flower to show the key parts involved in pollination and fertilisation.

Year 4 - have been creating their own persuasive sentences in preparation for writing their persuasive letters.

Year 5 - enjoyed a VERY exciting game of Wrecking Ball with Paddy (The UK Military Academy), earning lots of Paddy Points.

Year 6 - This week, as part of DT, we have been researching meals using our flavour charts to include sweet, umami, bitter, sour and salt
