Over the course of this half term, I would like you to complete a Victorians project. Here are some suggestions:

- A written project such as a diary of a person from the Victorian period e.g a mill worker, a chimney sweep, a soldier.
- A biography about a famous figure from the Victorian period e.g. Sir Charles Dickens, Charles Darwin, Emmaline Pankhurst., Robert Stephenson.
- A newspaper report about an important Victorian Event e.g. the opening of Birkenhead Park, the first run of Stephenson's Rocket.
- A diorama (shoe box scene) showing an important scene from Victorian history – with an explanation e.g. a Victorian School Room, a Victorian hospital.
- An electronic presentation about an aspect of Victorian life or a Victorian person e.g. Mills, Hospitals, Queen Victoria, Dr Barnardo, Florence Nightingale, Isaambard Kingdom-Brunel – this can be e-mailed to school or given on a memory stick.
