This week at School

Wow, what a busy week we have had! As we fast approach the last week of the Autumn term, we have been truly overwhelmed here at Cathcart Street by the generosity of donations towards our Christmas Fair and, even more so, by the wonderful support from all our families. From attending the fair, to joining us at our EYFS Nativity and our whole school Nativity at church, we simply do not have the words to explain how grateful we are for your involvement.

Our youngest children shone so brightly in their EYFS Nativity. Their confidence, joy and enthusiasm were a delight to see, and it was a very special moment for families and staff alike. The whole school Nativity was equally memorable, and holding it at Christ the King Church made the occasion even more special. We extend a huge thank you to the church for welcoming us so warmly and helping us create such a beautiful celebration of community and togetherness.

As we approach the end of Autumn term, we are sorry to be saying goodbye to Miss Hebden, Miss Compton, Mr Smaele and Miss Cairns. We thank them sincerely for all they have contributed to our school and wish them every success in their future endeavours. At the same time, we are delighted to welcome new colleagues to our team. Mrs Ellison, who many of our F2 parents already know, will be joining us as EYFS Lead and F2 teacher. Mr Binns will be our new Year 6 teacher, supported by Mr Hunt as pupils begin their SATs preparation. Mr Gratton will be joining as our Year 4 teacher, and Miss Shippley will be joining our team of support assistants here at Cathcart along with Mrs Smith who will join our Year 2 team. I know you will join me in giving them all a very warm welcome, and they are looking forward to working with you and your children in the new term. We still have lots more Christmas activities planned this week and cannot wait to enjoy these with you all. Thank you again for your continued support—it makes all the difference to our school community.

Many thanks for your continued support
Mrs Cookson & Cathcart Team

Dates for your diary

Dec
Christmas Lunch Day - 18th Dec
Christmas Parties & party clothes - 19th
Dec
Finish for Christmas - 19th Dec 1.30pm

Attendance Winners

A huge well done to our 2 classes with the best attendance in their phases for last week.

Year 1 - 90%

Year 6 - 93.9%

Both classes have won £5 to go towards their end of term treat!

Visitors

This week we had a wonderful visit from two lovely local police officers who spent time with our fantastic children. They enjoyed talking together about what makes our school great and all the things the children love about their community. It was a really special opportunity for our pupils to share their pride in Cathcart and the place they call home.

Important Messages

Please ensure you are signed up to class dojo as class teachers will keep you up to date on here with information about your children's classes.

Please give us a follow on Instagram where we share all the fantastic things children at Cathcart Street have been up to.

We have been enjoying...

Little Stars - have been very busy exploring and learning about Christmas

F1 - as well as working hard on our nativity F1 children have been busy enjoying the outdoor environment

F2 - worked so hard on their nativity practising their parts and rehearsing.

Y1 - In Science, we enjoyed learning about our sense of smell. We smelt different things and we tried to guess what it was.

Y2 - This week we have been designing and making our own fairground wheel during DT. We have loved getting creative.

Y3 - enjoyed collecting data around Birkenhead on their Geography Field Trip.

Y4 - children have been worked learning the songs for the whole school nativity

Y5 - In Science, Year 5 have been working with levers and pulleys to see their effect on how much force is needed to lift heavy objects.

Y6 - In science this week, Year 6 have learnt about shadows and considered how they'd provide shade in a pool area.
