This week at School

Oh my goodness – what an amazing Friday we all had in school for Times Table Rockstars Day!

Thank you to all our families – the children looked incredible and we really appreciate how much time and care goes into dress-up days like this. The pupils threw themselves into the competitions and activities, and it was brilliant to see so many children enjoying and practising their times tables with such enthusiasm.

We've got a busy week ahead. On Monday we'll be kicking off with a Harvest Festival assembly. Our Year 6 children will be swimming each afternoon, some pupils will be taking part in a cross-country event, and we'll have whole-school photographs on Tuesday. On Wednesday we're excited to welcome a special guest, Danny Baker. We love being able to offer these extra-curricular opportunities – the children's energy and commitment make them so worthwhile, and we hope you enjoy hearing about them at home too.

There's still lots more to come before half term, so please keep an eye on ClassDojo for updates and photos.

A reminder that parents' evening is on 20 and 21 October. If you haven't yet booked a slot, please book via Compass or pop to the office and the staff will help you.

Have a lovely weekend – we can't wait to welcome the children back on Monday. I hope you all have a lovely, restful weekend. Thank you, as always, for your continued support of our school.

Mrs Cookson and the Cathcart Team

Dates for your diary

Mon 28th – Fri 2nd Oct – Year 6 swimming

Mon 28th – Year 4/5/6 Cross Country event

Tues 29th Sept – Whole school photographs

Wed 30th – Danny Baker Visit

Wed 30th – Years 5&6 Road Safety Theatre workshop

Fri 2nd – Harvest Festival Assembly

Mon 5th Oct – Fri 9th Oct – Year 5 swimming

Mon 5th – Science Week

Fri 9th – Own clothes day for Be Yourself Be Joyful

Fri 23rd Oct – Finish for Half Term

Attendance

A huge well done to our attendance winners from last week!

Year 1 – 93%

Year 5 – 90%

Both classes have done brilliantly and have each earned £5 for their class account!

Our whole school attendance was 93.4%.

Harvest Festival

Next week we will be celebrating our Harvest Festival and would love to collect donations from families throughout the week. We are hoping to make a huge contribution to the Charles Thompson charity, so please send in tins, canned goods and other non-perishable items. Donations can be brought to classrooms or left at the school office – thank you in advance for your generosity.

Class Dojo

Please make sure you are signed up to Class Dojo – this is a great way to stay up to date with any relevant information for your child's class and message their class teacher directly if needed.

ClassDojo

School Logo

Our school logo has had a bit of a glow-up – we've kept the traditional design but added fresh colour to uplift it, and we'll be using this on our letters, across our social media and around the school; I hope you all agree it looks great.

Spotlight

A huge well done to Jasmine in Year 3 for her amazing kindness and generosity! Jasmine had an incredible 13 inches of her hair cut off and raised an amazing £550. She donated £350 to The Little Princess Trust and £200 to support COPD, helping people like her Grandad. What a wonderful example of kindness and thinking of others!

We have been enjoying...

Little stars - We have enjoyed exploring our faces in the mirror.

F1 - We have been learning about our senses in F1 and we made binoculars with different coloured lenses so we could see our garden in different colours.

F2 - We are working hard on developing our fine motor skills. this week we had to try and free the animals that were trapped!

Year 1 - We have been learning about the different weather that happens in different seasons.

Year 2 - This week we have been looking at directions in computing. We created our own maps.

Year 3 - In art this week we have been using our observational skills to add details to our sketches.

Year 4 - This week, Year 4 have been exploring proportion in their Art lessons.

Year 5 - This week, Year 5 took part in a Science workshop from Urenco. T. We did lots of experiments using very special scientific equipment.

Year 6 - have enjoyed learning more about World War 2 this week.

Nurture - We enjoyed receiving letter from our favourite people and writing back to them.

Rainbow Room - we have been sharing and discussing our family members. We have loved showing our loved ones to our friends!
