This week at School

Well, what a fantastic and incredibly busy first half term we have had! It is hard to believe that eight weeks have already passed since we welcomed everyone back in September, and what a wonderful eight weeks they have been! From football tournaments and cross-country events to science competitions, pumpkin creations, after-school clubs and exciting learning opportunities, our children have certainly had a busy start to the school year! It has been lovely to see their enthusiasm, confidence and determination shining through.

A huge thank you to all the parents and carers who attended our parents' evenings this half term. Building strong relationships between home and school is so important, and we really do value your continued support and partnership. I would like to say a heartfelt thank you to our wonderful staff team, who have worked incredibly hard throughout these eight weeks. As we finish this half term, we also say a fond farewell to Miss Spence. We thank her for everything she has contributed to our school community and wish her every happiness and success in the future. We are also very pleaed to have welcomed Miss Woods as our new Nurture class teacher to our school.

Looking ahead, Autumn 2 promises to be another exciting and busy half term, with lots of wonderful learning experiences and, of course, all the magic that comes with the build-up to Christmas! Finally, thank you to all our families for your continued support, encouragement and for being such an important part of our school community. Wishing you all a wonderful, restful and happy half term.

Thank you, as always, for your support!

Attendance

A huge well done to our attendance winners from last week!

Year 2 - 93.5%

Year 6 - 96.3%

Both classes have done brilliantly and have each earned £5 for their class account!

Our whole school attendance was 92.4%

The Willows

We are having a rebrand! In line with our schools calm and nature theme throughout school we have decided to rename our previous 'Rainbow' provision. Going forward this provision will be called The Willows! We are very excited about developing this provision and the environment.

Local Halloween Event

We're pleased to share details of an upcoming Halloween display being organised by one of our wonderful school families within our local community. All money raised going towards supporting the Wirral Autistic Society - Event at CH41 4LR

Class Dojo

Please make sure you are signed up to Class Dojo - this is a great way to stay up to date with any relevant information for your child's class and message their class teacher directly if needed.

Free Breakfast Club

We are delighted to announce that our school Breakfast Club is now completely FREE for all children in Years 1 to 6! 🎉

Opening every morning at 8:00am, children can enjoy toast, cereal and fun activities with friends, giving them a happy, settled start to the school day.

No need to book - just turn up!

Kindness starts with us all

At Cathcart Street, we teach our children the importance of kindness and respect, and as adults, we must lead by example. We kindly remind all families of our Home-School Agreement and the importance of treating everyone with kindness. Our staff work incredibly hard to support you and your children and deserve to be treated with kindness, even when concerns arise. Thank you for helping us keep Cathcart Street a happy and welcoming place for everyone.

We have been enjoying...

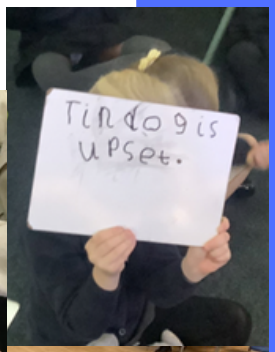

Little stars - Have loved Glitter Reveal, finding and naming pictures hidden under the glitter.
F1 - We made bird feeders using cardboard rolls, lard and bird seed. It was very messy but enjoyable.
F2 - We love playdough disco- it helps to strengthen our fingers to help us write.
Year 1 - Wrote some amazing description sentences about Tin Dog.
Year 2 - Have been busy editing their letters in English this week, showing off some lovely handwriting!
Year 3 - Have loved working together to design and decorate a spooky pumpkin.
Year 4 - Have been getting hands on with their pumpkin designs for the Birkenhead market Halloween scare trail.
Year 5 - Have made pumpkins for the special Pumkin display. It was harder than it looks!
Year 6 - Have been learning how their electricity learning in Science can be applied in real life situations.
Nurture - In Science this week, we have enjoyed investigating chemical reactions through hands-on experiments and careful observations.
The Willows - We have enjoyed learning about Halloween and how we can keep our selves safe!
